A Bylaw to provide regulations governing the erection and installation of signs in the community

NOW THEREFORE, the Council of The Corporation of the City of Pitt Meadows in open meeting assembled, ENACTS AS FOLLOWS:

Title

1. This Bylaw may be cited as the **"City of Pitt Meadows Sign Bylaw No. 2248, 2005"**.
2. Sign Bylaw 1673, 2000 is hereby repealed as of the date of adoption of this Bylaw;

SECTION 1: DEFINITIONS

In this Bylaw, unless the context otherwise requires:

<i>Abandoned Sign</i>	means any sign which no longer serves its previously intended purpose, or which is not maintained as required by this Bylaw.
<i>Awning</i>	means a movable or temporary hood or cover which projects from the wall of a building.
<i>Awning Sign</i>	means a non-illuminated sign painted or affixed flat to the surface of an awning which does not extend vertically or horizontally beyond the limits of such awning.
<i>Banner Sign</i>	means a temporary sign composed of lightweight or non-rigid material, such as cloth, canvas or similar fabric.
<i>Balloon Sign</i>	means an inflated three-dimensional device which is affixed to the ground or a structure with an intention to attract public attention for a certain event or product.
<i>Billboard</i>	means a third party off-premises sign with a sign area not greater than 21.5 sq.m. and with a maximum height of 7.5 metres.
<i>Building</i>	means any structure constructed pursuant to the Building Code for the Province and used or intended for supporting or sheltering any use or occupancy.
<i>Building Frontage</i>	means the horizontal length of a wall of a building where such wall faces a street. The measurement of such length is along a line parallel to the street.

SIGN BYLAW
Bylaw No. 2248, 2005

Temporary Sign means a sign displayed for a limited period of time as stated-in this Bylaw.

Third Party Sign means a sign which directs attention to a business commodity, service or entertainment which is conducted, sold or offered elsewhere than on the premise at which the sign is located.

Other Definitions:

For words not defined in this Bylaw, the definitions from the City of Pitt Meadows Zoning Bylaw, as amended will apply.

Contradicting Definitions:

Where the same words are defined in more than one Bylaw, the definition in this Bylaw shall apply for the purpose of sign regulations.

SECTION 2: PROCEDURE TO OBTAIN SIGN PERMIT

2.1 Permits Required:

Except as provided in this bylaw, every sign owner, before erecting, rebuilding, enlarging, extending, or relocating a sign shall obtain a sign permit.

2.2 Information Required for Permit Application:

Every application for a sign permit shall be made in a form as specified by the City and shall include the following information: **(Bylaw No. 2546, 2012)**

- a) Scaled drawings showing location, type, size, height, colour, sign area, copy area, clearance, construction, colour, finishing material and estimated costs;
- b) Names and addresses of the sign owner, the manufacturer of the sign, and the contractor for the construction of the sign;
- c) A letter of authorization from the lot owner if the applicant is not the lot owner;
- d) Details of any existing sign on the lot;
- e) Any other information that is relevant to the issuance of the sign permit.

2.3 Permit Fees

Permit fees for sign permits shall be charged according to the following schedule:

- a) Each applicant for a sign permit shall submit a non-refundable processing fee of \$40.00. If the sign is approved, this fee will be credited towards the appropriate Permit fee as set below.
- b) The following permit fee schedule based on total sign area will be charged. For multi-faced signs, the total sign area shall be the aggregate of the sign area on all faces.

Temporary Signs	\$ 40.00
Signs up to 3.0 sq. m.	\$ 75.00
Signs larger than 3.0 sq. m. (up to 6 sq. m.)	\$150.00
Signs larger than 6.0 sq. m. (up to 10 sq. m.)	\$200.00
Signs larger than 10.0 sq. m.	\$250.00

- c) Enlargement, rebuilding, relocation and extension of an existing sign amounts to an erection of a new sign and requires a sign permit.

- d) (deleted as per ***Bylaw No. 2546, 2012***)
- e) Third party liability insurance coverage must be provided by the applicant when a Sign or any part of the sign is suspended or projects over a street right-of-way, a public place or over a sidewalk or walkway where public access is allowed. The owner or the person for whose benefits the sign is erected shall deposit with the District and maintain in full force and effect throughout the life of the sign a policy of insurance with a sum of \$3,000,000.00 indemnifying the District against all loss, damage or expense incurred by the District arising from the construction, erection, maintenance and existence of the sign. The Municipality needs to be named as a coinsured.

2.4 Issuance of Permits:

The Director shall issue a permit if the application complies with the provisions of this Bylaw and other Bylaws of the District.

Such permit shall expire if active work is not commenced within a period of six (6) months from the date of issuance of the permit.

The Director shall refuse a permit for any sign where:

- a) The display of such sign is not permitted by this Bylaw;
- b) A complete application has not been received by the District;
- c) The fees, insurance coverage bond and damage deposit, if required, have not been received by the District;
- d) A technical review of the building or structure to which the sign is, or is to be attached by the District Building Official determines it is incapable of supporting the sign;
- e) The information submitted regarding the construction of a building or structure is insufficient to enable the District Building Official to adequately determine the capacity of such building or structure to support the sign.

In certain circumstances, the Director shall require as a condition of the issuance of any permit, that all drawings and specifications, or any part thereof, be prepared and sealed by, and the construction carried out, under the supervision of a Professional Engineer, registered in the Province of British Columbia, and the Director may refuse to issue a Permit until he/she is provided with a letter signed by a Professional Engineer registered in the Province of British Columbia, undertaking to supervise the work authorized by such Permit or any part thereof.

2.5 Development Permit Areas

On lands which have been designated Development Permit Areas, sign regulations contained in this Bylaw may be varied through the application and approval of a Development Variance Permit by Council. The erection of a new sign or the replacement, alteration or modification of an existing sign (a sign permitted and constructed through a Development Permit) which has been included in an existing Development Permit, shall require an amendment to the Development Permit.

2.6 Variance

Variations to the provision of this Bylaw may be granted by Council through a Development Variance Permit in accordance with the City of Pitt Meadows Zoning Bylaw.

SECTION 3: BASIC PROVISIONS

3.1 Change of Sign:

No person shall change any part of the structural elements, copy and content, lighting or colour of permanent sign, without a permit.

3.2 Normal Maintenance:

All normal maintenance, including replacement of structural elements, copy, lighting and refurbishing of signs shall not require a permit, but shall conform to all other requirements of this Bylaw.

3.3 Sign on Public Right-of-Way:

No sign shall be displayed on or over any public right-of-way without the permission of the Director, or where applicable, the Ministry of Transportation or affected utility company.

3.4 Alterations:

No person may alter, rebuild, enlarge, extend or relocate a sign except in compliance with the requirements of this bylaw and unless a permit has been issued. Change of copy on a legal Non-Conforming Sign may be permitted, by permit, provided that the sign shall not be rebuilt, enlarged, extended or relocated.

3.5 Sign on Property:

Except as specifically permitted by this bylaw, no sign shall be displayed except on the premises occupied by the activity or matter which such sign is intended to advertise, identify, give information on or attract attention to.

3.6 Interference with Traffic Lights and Visibility:

No sign shall be displayed where it may interfere with or otherwise obstruct any traffic control device, or in any way interfere with visibility from one street to another and the Director shall refuse to issue the permit for any sign in such circumstances where the Director is satisfied that such conditions will arise as the result of the display of such Sign.

3.7 Obstruction to Buildings or Passage:

No sign shall obstruct any window, door opening, passageway, fire escape, walkway or similar feature.

3.8 Maintenance:

All signs shall be maintained on a continual basis so that at all times they shall be structurally sound and free from all hazards caused or resulting from decay or failure of structural members, fixtures, lighting or appurtenances. All sign area, background, copy, lighting and embellishments shall be continuously maintained in readable, clean and painted condition, and the site thereof maintained free of weeds and debris and in a clean and workmanlike condition.

SECTION 4: PROHIBITED SIGNS

Except as otherwise specifically permitted by the Bylaw, the following signs are prohibited:

- a) Signs that may detrimentally affect the health, safety and movement of people;
- b) Rotating or revolving signs; provided however, that devices indicating the current date, the time of the day, the temperature or barometric pressure, shall not be subject to this prohibition;
