Things You NEED TO KNOW...

CAMP STAFF

Camp staff are carefully selected based on their former experiences working with children, along with their display of enthusiasm, strong leadership skills and sound judgment. Qualifications for staff members include:

- pre-camp training sessions;
- current Standard First Aid Certificate and CPR C;
- satisfactory Criminal Record Check (16 and older)

CAMPER PICK-UP AND DROP-OFF

Children should be dropped-off and picked up in the area designated for their group, which is clearly marked at each facility. In order to ensure maximum safety, sign-in and sign-out sheets will be provided at each location. It is the parent or guardian's responsibility to ensure campers are signed in and out each day. If a parent or guardian is unable to pick up their child a written note that is signed and dated may be provided to staff indicating who has permission to pick the child up or if the child is allowed to sign themselves out of camp. All pick-up is at 4pm.

PARENTS

For your child's protection, it is extremely important that your emergency information is up-to-date. Please make sure that Camp staff have the correct phone numbers to contact you.

PARENT PARTICIPATION

All of our programs are drop off programs and do not involve parent participation with the exception of a few of our parent and tot programs which are noted in the brochure.

CAMP AGE REQUIREMENTS

Each program description indicates the specific age requirements that must be met by all campers. Every camper must meet these age requirements by the first day of the course, or they may be required to withdraw due to a lack of program compatibility. Please ensure that your children meet the listed requirements prior to registering for a course. Should you wish to discuss the suitability of a specific program for your child, please contact Jen Baillie at 604-466-4339.

WHAT TO BRING TO CAMP

Sunscreen and sun hats are strongly recommended. Please also send your child with a water bottle, swimsuit, towel and extra clothing (including a raincoat on rainy days), peanut free snack and lunch. All camper items should be personally labelled.

LOST OR STOLEN ARTICLES

Maple Ridge and Pitt Meadows Parks & Leisure Services is not responsible for any damages to or loss of any property brought onto the premises. Campers are encouraged to leave valuable items at home.

LUNCH AND SNACKS

Campers are required to bring their own lunch, snacks and extra drinks. Foods should not require refrigeration.

IMPORTANT: Maple Ridge and Pitt Meadows Parks & Leisure Services takes a vested interest in all of our campers. Due to the number of participants that have severe nut-related allergies, PEANUT BUTTER, NUTS AND ALL FOODS CONTAINING NUT BY-PRODUCTS ARE NOT PERMITTED AT CAMP.

LITTER-LESS LUNCHES & SNACKS

Please help us maintain the 3 R's when packing your child's lunch; Reduce, Reuse & Recycle. Check out these tips:

- Pack lunch items with none or as little packaging as possible.
- Pack lunch items in reusable containers, rather than plastic bags.
- Try to use biodegradable packaging. Paper is, plastic is not.
- Choose items packed in recycled materials.

LATE FEES

Camp ends at 4pm and After Camp Programs end at 6 p.m. Staff will provide you with 2 reminders, upon the 3rd occurrence of late pick-up we will have to charge you \$1 per minute for the late incident as well as any future occurrences.

WITHDRAWAL & REFUND POLICY

For information about Maple Ridge and Pitt Meadows Parks & Leisure Services Registration and Withdrawal/Refund policies, refer to page 3 of this Guide.

RAINY DAYS

The sun doesn't have to be shining to have a good time at camp! All camp programs will continue during inclement weather. Please dress your child appropriately.

MEDICAL INFORMATION

Health and safety are priorities for Maple Ridge and Pitt Meadows Parks & Leisure Services. Please ensure your child's information is accurate by completing the medical forms at sign in. If your child develops a communicable disease during Camp (e.g. Pink Eye), we ask that you inform staff immediately. This will allow Maple Ridge-Pitt Meadows Parks & Leisure Services to inform other participants and allow them to take the necessary precautions.

TOILETING

Children must be fully toilet-trained to attend all programs not requiring adult supervision.

CLASS CANCELLATION

If an insufficient number of participants have signed up for a course, the course will be cancelled. Please register early to avoid disappointment.

ALL camps required registration packages filled out prior to start of camp.

Go Play OUTSIDE!

This summer, explore Maple Ridge and Pitt Meadows parks and outdoor spaces and check out our many outdoor recreation programs. Natural environments are unique, diverse and timeless. Outdoor areas with trees, vegetation and plants provide children with the opportunity to learn, to enhance play and to provide spaces for quiet reflection.

Early exposure to nature helps children develop a sense of empathy for living things and an understanding of the lifecycle, creating a lifelong legacy of environmental stewardship.

“Children who are less restricted in their access to the outdoors gain competence in moving through the larger world. Developmentally they should gain the ability to navigate their immediate environs (in safety) and lay the foundation for the courage that will enable them eventually to lead their own lives.” - National Association for the Education of Youth Children.

- Play helps children make sense of their world.
- Children learn best when their whole selves are involved: mind, body and spirit.
- Child-initiated play lays the foundation for learning and academic success.
- Children are active participants in their own development reflecting the basic human need to explore.
- Outdoor space offers unequalled opportunities for children to explore their environment.
- A serious consequence of decreased outdoor activity has been an increase in childhood obesity rates.
