September Safety Tip

The school year has begun! While driving, please be extra diligent about watching for children crossing the road. Obey speed limits, especially in school zones, and be extra careful around school buses that are letting students off.

Teens on the Internet

Be smart online! Remember some basic safety tips:

- Do not use login names or nicknames that will reveal your age or gender.
- Never give out personal identification including school activities, friends, passwords, addresses, or real names.
- Everyone is a stranger. Identities can be hijacked or passwords compromised so even your 'best friend' online might not be who they say they are.

Trust your feelings. If you are even a little bit suspicious, talk to your parents.

Calling All Kids

Bring your children to the Community Policing Office and pick up a Child ID kit. Child ID kits contain fingerprinting materials, identification forms to

fill out on your child, and safety information. These ID kits are invaluable resources for the RCMP in the event something was to happen to your child. Hopefully they are never necessary – but it helps to be prepared.

Kids, come along with mom or dad to meet your local police officers and receive a treat!

We need volunteers!

Do you have a few hours a week to help in your community? Volunteer at the Community Policing Office! We are looking for people willing to help in our office by answering phone calls and assisting the public at the front counter. Complete training is provided. Volunteers must be 19 years or older and pass a security clearance. Call the Community Policing Office for more information at 604-465-2402.
